Name:

The objectives of the National Honor Society are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in all students at Galion High School. Membership in this society is a great honor, not a right. This organization looks upon education as a product measured by four standards: scholarship, leadership, character, and service.

Essay: Please explain in one paragraph (approximately 200 words) why the selection committee should consider you for membership in the National Honor Society. What qualifications do you have that exemplify the ideals of the Honor Society?
