

CHIP TIMING !!!

Again this year we will be using chip timing supplemented with FinishLynx technology. **Delta Timing Group** will be providing the technical support. Delta Timing is a highly respected company with years of experience working some of the most prestigious cross country and track and field meets in the country such as the Texas Relays, Drake Relays, Florida Relays , Kansas Relays, the OHSAA Cross Country and Track and Field Championships, various NCAA Regional CC Championships, The Big 10 Track & Field Championships the Big 12 Cross Country Championships, the NCAA CC National Championships, the Canadian Track & Field Olympic Trials and more. You can find out more about Delta Timing at their website, www.deltatiming.com.

We hope that this addition will provide coaches and competitors with an even more enjoyable experience at this year's Galion Cross Country Festival.
