

Galion High School

Mock Trial

Mock Trial is an organization sponsored by the Ohio Center for Law-Related Education, providing students, freshmen through seniors, an opportunity to explore the American legal system. With the help of a legal advisor, local attorney Grant Garverick, a nine-member team of student attorneys and witnesses devise a defense and prosecution strategy for a hypothetical court case provided by the sponsoring organization. Students meet weekly from October through January in preparation for district competition in early February.

For more information regarding Mock Trial, please contact Tim Weiskopf at Galion High School, 419-468-6500, ext. 2205.
