

## Science Club

Science club is involved in several competitions involving science and math.

We do the Academic Challenge through Mid-Ohio. There is a fall league and winter league that compete at area high schools. Students also do Academic Showdown in February and March with the Mansfield TV station.

Many students compete in the Ohio Math League contest which is done monthly October through March.

Jets team is an engineering competition in February with teams of eight.

This year the group is looking into Science Olympiad.

Science Club meets the 3<sup>rd</sup> Friday of the month at 7:00 AM in room 227.
